Phoned Mum (7.45pm): confirmed with her the tentative booking for Tutanekai for 23 – 27 December 2007 as confirmed. She will check with Aunty Marion who oversees the marae bookings. Mum reiterated that if any tangi should occur at this time, that Pikirangi or Ruamata will be made available for this event. She will attend AGM to make sure of this booking. We discussed venue costs for Karen and I to consider, at this stage \$1000-\$2000. Rates will be around \$15-\$20ph. Linen can be supplied however, if there is a big turnout, request to bring own linen from those nearby.

Can host about 60 in wharenuui, 20 in clubhouse, another 20 or so in in part of wharekai.

Tents and caravans – to be confirmed as policy on tents on marae site is in question.

Talked about the bank account that was set up years ago with Uncle George and Mum recorded as the signatories. Dad never agreed to be a signatory but asked mum to sign on his behalf – this was done. Whanau queried her involvement and without explanation she returned the bank account to the Te Wao Whanau.

Email reply to Wairaka's email received today:

“Kia ora cuz, I shall send it down via fastpost...and it definitely needs updating too to the max.” Confirmed that she will post the bank account this way and received.

Emailed Deena with the email correspondence to date – for her records.

Karen txt'd Ripeka to update her about confirmation of venue for Reunion. She will let her whanau know of this. She also txt'd aunty's Charlotte and Beatrice's postal addresses.
